CARSON CITY, NEVADA

CONSOLIDATED MUNICIPALITY AND STATE CAPITAL

April 12, 2006

Dear Citizens, Mayor, and Board Members:

The budget includes 25 governmental funds with estimated expenditures of \$78.47 million and 11 proprietary funds with expenditures of \$36.93 million.

General Fund Revenues

Total general fund revenues are expected to increase 5.9% from our estimate for fiscal 2006. Property tax revenue is expected to increase 5.3%, Licenses and permits 4.5%, and Charges for Services by 12.0%. A law limiting the growth of property tax bills was passed by the 2005 Legislature, generally tax bills for homeowners may not increase by more than 3%. Tax bills for business may increase up to 6.8% in fiscal 2007. The effect of the property tax cap to the general fund was \$419,000 in fiscal 2006 and is estimated to be \$1.8 million in fiscal 2007. Sales tax revenue is the largest single source of general fund revenue comprising 42.8% of total estimated revenue or \$24.13 million in fiscal 2007. Total taxable sales are projected to increase 3.1% to \$1.084 billion, while the retail and industrial sectors are expected to remain strong in fiscal 2007; auto sales are expected to decline slightly from fiscal 2006. General fund per capita revenues are expected to be \$981 in fiscal 2007.

General Fund Expenditures

Total general fund expenditures are projected to increase 7.8% from estimated fiscal 2006, after adjusting for one time economic development expenses of \$8.46 million. Total general fund expenditures are projected to be \$52.49 million in fiscal 2007. Salaries and benefits comprise 78.5% of total general fund expenses, services, supplies and capital the remaining 21.5%. Estimated expenditures by function are:

General Government	\$	13,482
Judicial		3,357
Public Safety		23,781
Public Works		3,060
Health		1,653
Culture and Recreation		6,513
Community Support		646
	\$	<u>52,492</u>

In preparing the base budget for fiscal year 2006-07 we were able to identify approximately \$300,000 of on going revenue in excess of expenditures. The budget team is currently reviewing spending requests from the various departments. Accordingly, the tentative budget does not include any of those additional spending requests.

Capital Projects and Reserves

The City through conservative budgeting and fiscal practices has accumulated resources over last several years to fund capital projects and reserves. The City's policy is to retain 8.3% current year expenditures as an operating reserve in the general fund, leaving \$2.6 million available for the fiscal 2007 capital program. The budget team reviewed from various City departments and will recommend granting capital requests which total \$2.562 million.

Enterprise Funds

We are including several rate increases for the enterprise funds in fiscal 2006-07.

The ambulance fund is including a 10% increase in rates, mainly to offset rising operating costs and decreasing medicare reimbursements.

The Landfill fund is including various rate changes that are needed to fund increasing capital needs. The main fee increases will be to out of county waste haulers, while some rates for Carson City residents will actually be reduced. Some examples of changes to fees are as follows: Carson City resident minimum rates for uncompacted waste will be reduced from \$4.50 to \$4.00, while out of county Construction and Demolition waste will increase from \$7.00 per ton to \$25.00 per ton.

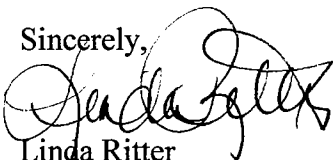

The Water utility is not including a rate increase for fiscal year 2006-07. Although current reserves are adequate for anticipated Fy07 capital needs, the City is preparing to comply with new regulations that impact the water system, such as arsenic reduction and enhanced treatment requirements. We expect these regulations, along with increased capital needs will impact rates in the very near future.

The sewer utility is not including a rate increase for fiscal year 2006-07. Although current reserves are adequate for anticipated FY07 capital needs, increased sewage flows to the wastewater reclamation plant are increasing and the City is anticipating an expansion to the plant which could impact rates after FY07.

The cemetery fund is not including a rate increase for fiscal year 2006-07 because the rates we are charging are currently at market. Since we have depleted working capital over the past few years, we will show an operating transfer from the general fund of \$75,000.

The building permits, and stormwater utility funds are not anticipating rate increases for fiscal year 2006-07.

Sincerely,

Linda Ritter
City Manager
